Re: Notice of Intention to Commence Small Mining Operations, Red Bone #3 Project, S/027/051, Millard County, Utah

Dear Mr. Cox:

Thank you for forwarding the Notice of Intention to Commence Small Mining Operations for Natural Resource Holding Company's, Red Bone #3 Project, located in the NW/4 of Section 1, T19S, R14W, Millard County, Utah. Your agency's designated number for this project is UTU-070654. This project was formerly processed as an exploration project, file number E/027/034. The exploration project will be closed and this new notice will be considered a small mining operation. This will alleviate the operator having to submit a new notice, with this Division, each year.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intent for completeness. The Notice meets the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

It is understood that your office, acting as "Lead Agency" will notify the operator accordingly. Please provide us with a final copy of your completeness letter to the operator.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/027/051 when forwarding additional information on this project to us.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
